NOTICE

MODIFICATIONS TO WECC 2006 PRESCHEDULE CALENDAR

Posted: February 8, 2005

WECC has modified its 2006 Preschedule Calendar to execute a test period recommended by a WECC MIC/ISAS Task Force to evaluate the effectiveness of scheduling on the preceding Friday for the two weekend days (Saturday, Sunday) and the following Monday. The task force will evaluate the results of the test period prior to proposing a formal change to the current WECC prescheduling practices.

This WECC test period will alter the existing weekend preschedule methodology on the selected dates as follows:

- On the Thursday of the selected test dates WECC will preschedule for Friday only.
- On the Friday of the selected dates WECC will preschedule for Saturday, Sunday, and Monday.

The selected test dates are as follows:

Thursday, February 23, & Friday, February, 24, 2006

Thursday, April 6, & Friday, April 7, 2006

Thursday, April 20, & Friday, April 21, 2006

Thursday, June 1, & Friday, June 2, 2006

Thursday, June 8, & Friday, June 9, 2006

Thursday, June 15, & Friday, June 16, 2006

Thursday, June 22, & Friday, June 23, 2006

The full 2006 WECC Preschedule calendar is posted on the WECC website at

http://www.wecc.biz/documents/library/interchange/2006_WECC_Preschedule_Calendar_01-20-06.pdf.

The Bonneville Power Administration Transmission Business Line (TBL) will participate in the WECC three day preschedule test period. During the test period OASIS requests for Losses and Short Term Firm service must be submitted no later than 07:59:59 on Friday for service commencing on Saturday, Sunday and Monday. Requests for loss returns must follow the TBL's current Real Power Loss Return business practice.

If you have questions or concerns related to this WECC test period, please contact Preschedule Northwest desk at 360-418-2217 Preschedule Southwest desk at 360-418-2501.
